Officer positions for 2023-2024 school year

We introduced 2 officer positions available for the 2023-2024 school year. We discussed the roles and responsibilities associated with these positions and distributed this information among those in attendance. We also introduced new policies created for the current board, including a 2 year position tenure and board election details. We scheduled our elections for the 2 available positions to be held at our May monthly PTO meeting. Please reach out to the PTO if you would like more information or are interested in one of these available positions.

PTO meeting over the summer

We discussed meeting over the summer to introduce the upcoming school events calendar and begin recruiting event committee members.

2023-2024 School Events Calendar

We are working on getting the upcoming school events calendar finalized before the end of the school year. We discussed having this list of events available on the PTO website at the beginning of the year and streamlining some more information with electronic documents.

Back to School event

We discussed our 1st event – the Back-to-School event. Many ideas were brought to the table including an ice cream social and/or a wine & cheese event. We would like this event to showcase the many facets of the school, including the athletics program, music opportunities, PTO events, and more.

Gala

Discussions continued for this year's annual spring gala. Help is still greatly needed in the areas of moving baskets, day-of setup and clean up. Please check the Gala SUG and the PTO website for more details and how you can help.

Our Next PTO Meeting will take place on May 4th.
