Scholarships & Financial Aid

Through generous efforts by Our Lady of the Rosary parishioners, PTO, and other sources, we are able to offer tuition at a significantly lower rate than the actual cost to educate. In addition to the built in financial aid that every student receives, there are a limited number of sources where families might seek out additional funding for their child's education:

If applying for financial aid, please visit the Tuition Aid Data Service FACTS website at facts.mgt.com/aid as soon as possible, as an application and application fee for tuition assistance **must be received by February 15th** in order to allow time to review and inform families of final decisions.
