Uniform Policy and “The Cloth of Our School”

At Our Lady of the Rosary Catholic School, our Uniform Code is deeply rooted in the values of respect, community, and the tradition of our Catholic faith. The uniform serves as a visible representation of our commitment to our school, our Church, and the community we are proud to be a part of. The Cloth of our School is not merely a garment—it is a symbol of unity, pride, and our shared mission to foster academic excellence and moral integrity guided by our Catholic faith. By adhering to this Code, students demonstrate the Virtue of Obedience and respect for themselves, their peers, and the values that guide our educational environment.

It is the parent’s responsibility to send their child to school in the correct uniform of the day. Whenever a shortfall exists or is expected to exist, please notify the Homeroom Teacher immediately, send your child to school in the closest approximation of the correct uniform, and direct them to visit the Front Office to seek assistance with the missing/incorrect uniform item.

Ignorance of the Uniform Code or a perceived lack of enforcement of its articles are unacceptable justifications for non-compliance. All parents and students are responsible for reviewing thoroughly and complying faithfully with the Uniform Code. Non-compliance with the Uniform Code is viewed as disruptive and also as a disregard for the esprit de corps of the school. Repeated infractions may result in disciplinary action, up to and including sending the student home to correct egregious and/or repetitive violations. The Dean of Students is the final arbiter of uniform policy.

Where to Buy

Uniforms should be purchased from [Schoolbelles](#), the school’s designated uniform supplier. Our school code is **S3111**. The Dean of Students is the school’s point of contact for any supplier questions.

Manner of Wear

The way in which our students wear their uniforms is as important as the uniforms themselves, and is a reflection of the respect, discipline, and pride we place in our community, our Church, and our school. Students are expected to wear their uniforms with care and attention to detail, ensuring that they always present themselves in a manner that upholds the value placed in The Cloth our School. This policy ensures that the integrity of our uniform is maintained while offering some flexibility for personal comfort and expression within clearly defined limits. Students are encouraged to wear their uniforms with pride, knowing that they represent not just themselves, but the larger values of our Catholic community.

Unless modified by a specifically-granted *privilege*, the following articles establish the baseline Uniform Code and expectations for ALL grade levels:

1. **Respecting The Cloth of our School:** The uniform is an integral part of our school's identity and tradition. It shall be worn with pride whenever on campus and/or when representing the school at school-related events. Uniforms should never be worn in a way that is disrespectful or careless.

Privileges and Respect for the Cloth of our School

While some exceptions-to-policy or *privileges* may be seen on campus, it is important to remember that appearance and uniform choices are guided by the principles of humility, modesty, and respect for our community.

A *privilege* or exception-to-policy, when seen on campus, does not mean it is permissible for all students. The uniform policy is rooted in the Catholic teachings of responsibility and accountability, and our aim is to uphold an environment that fosters unity, respect, and a spirit of service. Every member of the school community is called to act with integrity, honoring the Uniform Code and its significance in reflecting our shared mission and virtues. The school reserves the right to alter/abolish any privilege should it prove prejudicial to good order or discipline.

Students who violate the Uniform Code may have any uniform *privilege* suspended or revoked on an individual basis, as decided by the Dean of Students. The Dean of Students may grant any enumerated uniform *privilege(s)* to any individual student who displays demonstrably consistent respect for and obedience to the Uniform Code.
